

**THE ASSOCIATION OF SCHOOLS
FOR THE
INDIAN SCHOOL CERTIFICATE - RANCHI ZONE
(ASISC - RANCHI ZONE)**

Dear Parents,

Date: 23/12/2020

Greetings!

I, on behalf of all the I.C.S.E. Schools of Ranchi Zone, hope and pray that all is safe and well with you and your family.

The School Managements express their solidarity with you and all our teaching/non – teaching staff, on account of the unprecedented situation, which has been brought upon as due to this Global Pandemic – Covid – 19.

However, with the effort of our Government in unlocking, business and other activities in different phases, the situation now is improving, with business close to reaching its normalcy.

We on our part have tried to sustain functioning of our schools during this challenging period with your support, good wishes and cooperation in providing regular lessons through the online/offline modes for the benefit of your children.

You are well aware to the difficulties which we are facing in maintaining the fixed cost (taxes, rents etc.) of school establishment including the recurring ones, that of timely payment of salary to the staff, maintenance, electricity charges, office expenses, just to mention a few. As a responsible parent you have to keep in mind that despite this adverse situation the School is maintaining its quality and standard in providing academic and other support to your child, so that they do not lag behind.

**THE ASSOCIATION OF SCHOOLS
FOR THE
INDIAN SCHOOL CERTIFICATE - RANCHI ZONE
(ASISC - RANCHI ZONE)**

We are following all applicable directives issued by competent authority in letter & spirit. However, balance has to be maintained between need and convenience and for this your cooperation by way of timely payment of fees will go a long way in our endeavour to provide your child with necessary support during this challenging period and after, when the situation normalizes and schools are ready to open. As our teaching and non – teaching staff in most cases are the only bread earner of their family and hence your timely payment of Fees is “key” to their sustenance.

The schools are following their academic, timeline of unit tests and periodical terminal exams. Promotion of students to their next respective classes will always be subject to the prescribed promotion rules of the schools. We will keep updated for the forthcoming board examinations as and when we get information regarding the same from the CISCE, New Delhi. You can be assured that the School Managements will take all possible measures to see that your child’s progress is not hampered.

BE SAFE, BE HEALTHY!

**T.D JOSHY
